About "A Christmas Story"

At the historic Nevada Theatre, LeGacy is proud to present Phillip Grecian's adaptation of Jean Shepard's charming work, "A Christmas Story", directed by Judy Blake. A holiday show for the whole family, audiences will fondly remember the story of Ralphie Parker's (you'll shoot your eye out!!) childhood memories brought to life in the classic Christmas movie of 1983. Ralphie's wish for a 200-Shot Carbine Action Range Model Air Rifle supplies an underlying theme to an American family's annual holiday traditions in an even more special time in American history. Set in 1939, the Parker family and a host of other characters remind us of a simpler time, with a kid-filled cast, and lots of fun and laughs! This is a show you won't want to miss!
