Dear Vendors,

We are excited to welcome back another season of the First Friday Art Walks! The mission of the Art Walk is to increase awareness, appreciation, and participation in the arts in our local community, while also increasing commerce for local businesses in the downtown Nevada City area. Participating downtown business feature local artists and host a reception/open house on the first Friday evening of each month from June through September.

In addition to the festivities happening inside businesses, there will be live music and performances on the streets along with kid's activities, live art demos, and a small selection of curated arts vendors. We are seeking artists and craft vendors. Please use this form to apply. We look forward to re-energizing this event and watching it grow with your support!

Vendor space is extremely limited – there is a juried vendor selection process. We encourage you to be creative and to incorporate arts and culture into your booth as much as possible.

2022 Art Walk Dates: June 3, July 1, August 5, & September 2 from 5-9pm

Sign-ups are now open for the full season! The cost to participate is \$50/art walk

Business Name: _____ Contact Person: _____

Address: _____

Phone: _____ Email: _____
