**INFORM &
INSPIRE**

SUNDAY, April 23

10am-3pm

Downtown Nevada City

February 8, 2023

Dear Local Community Member,

The 2nd Annual **Nevada City Earth Fest Street Fair** will be held on **April 23, 2023 in downtown Nevada City**. After a successful inaugural event in 2022, this year's celebration will be expanding on to Broad Street and will feature a whole new array of activities including an electric vehicle car show and a rock climbing wall.

The event is sure to inform and inspire all who attend and will include live music, special performances, kid's activities, earth-friendly vendors, organic foods, and more. Vendors will offer interactive demonstrations, educational booths, and environmentally friendly wares.

The mission of the event is to create awareness about climate change and to inspire individuals to implement sustainable changes in their lives. The event will strive to be a zero-waste event, offering recycling and composting options.

We need your help to make this event a success!

We are currently seeking sponsors to help us grow and expand the event.

Thank you so much for your consideration!

Lynn Skrukud
Events Manager
