

2023 Nevada City Summer Nights Auto Exhibitor's Application

Summer Nights in Nevada City is an annual outdoor celebration featuring arts, crafts, classic cars, food, and entertainment. During the event, the streets in downtown Nevada City are closed to vehicle traffic.

The Nevada City Chamber of Commerce is pleased to offer the opportunity to local classic car owners to display their **pre-1975 vehicles**. It is our hope to have numerous cars on display this year. There is no cost to car owners to participate.

The event is from 6:00-9:30pm. Cars are asked to **arrive between 5:15-5:45pm**.

You will be notified of your placement. Cars will be interspersed with craft vendors.
